

# Push15 Remote

The cutting-edge design of the new Automate Push15 remote control is modern, simple and functional.

#### DISTINCT DESIGN

Slim, luxurious and distinct design, built to perfectly suit any modern interior.

#### TACTILE BUTTON

Intuitively positioned physical buttons allowing easy access to channel and group selection.

#### GROUP CHANNEL FUNCTION

Controls 15 individual shades on separate channels as well as 5 dedicated grouped channels.

#### LEVELLING CONTROL

With a simple double tap to activate, you can move individual or groups shades to desired position.

#### DURABLE BUILD

Advanced metal backing allowing easy access to buttons without removing a cover.

#### LCD SCREEN

A large screen size displaying channel & group selections for quick and easy reference.

**7** YEAR WARRANTY

ARC™ (Automate Radio Communication) is Rollease Acmeda's proprietary technology utilising 433MHz radio communication with bi-directional feedback that brings Automate motorised shading systems together.
